Lattice Style Wood Barstool WD290B

Dimensions

Width

19.5 in

Height

43in

Depth

20.5in

Weight

18.2lbs

Additional Details

These solid wood barstools are perfect for any setting. The contemporary design combines with sturdy construction to provide an irresistible piece. This solid wood bar chair features a unique lattice style backrest. The back open design makes leaning back in the bar chair comfortable and relaxing. The openings do not create any unnecessary pressure on the back and spine, allowing the diner to sit comfortably for hours.
