Ladderback Wood Restaurant Chair WD245

## Dimensions

			
Width	Height	Depth	Weight
17.5 in	34.5in	20in	13.7lbs

## Additional Details

These solid wood dining chairs are perfect for any restaurant or bar setting. The ever popular, traditional ladder-back style combined with sturdy construction to provide a long lasting and versatile piece - whether commercial or private. The ladder back style will never go out of style due to it's effectiveness at adapting to so many existing decors. The vinyl covered seating makes maintaining this chair a breeze, simply wipe away any spills off the solid wood frame and / or seat.
